## CHRISTINE STERLING

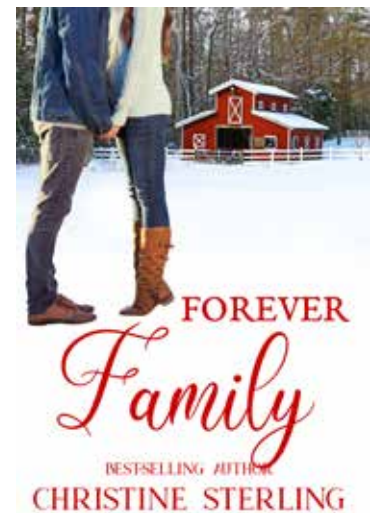

Christine Sterling writes sweet wholesome romance with a touch of sass. She has written over sixty-five books in both the western historical and contemporary romance genres. She lives in Pennsylvania with her husband, a spoiled Shih Tzu, two German Shepherds and an energetic Border Collie, that keep her on her toes. She spends her time writing, thinking about writing, and dreaming about writing. Her favorite things are a good cup of tea, puppy snuggles, a movie that will make you cry and happily ever afters.

### ***Forever Family*** by Christine Sterling

Susan Vuichard is committed to making sure no child is forgotten in the foster system. Opening her family farm to three sisters that have nowhere else to go, and even less chance to be adopted, is a temporary solution.

Richard Petra is still suffering the loss of his wife and unborn child. In order to ensure the memories remain buried, he refuses to interview children and avoids holiday celebrations. When his boss insists that he interview three sisters stuck in the welfare system at Christmas time, Richard has no choice. Imagine his surprise to find his high-school sweetheart, Susan is the girls' foster mother.

Sparks fly and his heart opens against his will. Can Richard conquer his fear and pain enough to let Susan and the girls into his hard heart? Can Susan help her old flame, and the girls she's vowed to find a home for by Christmas? Can this group somehow become a FOREVER FAMILY?
